Good news comes from Houston, Texas, of the condition of Mr. Harry Webb. He is improving every day and will soon be as well and strong as ever.

All varieties of seed corn; also millet and sorghum, now in and for sale by the Ocala Seed Store. 5-tf

Stepping in at the electric light plant Sunday afternoon, a Star reporter found Mr. L. B. McKenzie, the assistant superintendent, covered with grease and overalls. He had been hard at work all day making some repairs to the port engine. One thing badly needed at the plant is an indicator for the engines. One would only cost about \$50 and would save an immense amount of work.

The Coast Line crew has finished removing the old freight depot. They moved it about 100 feet southwest, and it is in a better position for the railroad than it was before. The South Fifth street crossing is entirely ruined however. It is impossible for anything but a foot passenger.

Mr. Frank Wetherbee holds the record for getting out of a house in a hurry. One night last week he had occasion to camp in an old cabin near where he was putting in a gasoline engine. When he entered the cabin, he found a rattlesnake in possession. Mr. Wetherbee didn't dally to look for the door. He came out thru the wall. However, he went back and killed the snake, and is now displaying its rattles.

In order to give more attention to his painting business, Mr. J. W. Dodge has leased the Busy Man's Lunch to Mr. W. G. Turlette. Mr. Carlton Stevens will continue to manage the popular little restaurant.

Dr. J. R. Blackiston is too good-natured for any use. "Doc" can't see very well, and the other evening, while crossing South Main street, was hit by a public auto, and knocked down. The driver stopped when one of the wheels was on "Doc," and backed off enough to run on him with another wheel. "Doc" had his face cut, a tooth knocked out and was so badly hurt he could hardly walk for a week. When he was asked why he didn't have the driver arrested, he said: "O, well; the boy didn't mean to do it, and since I wasn't hurt, I let it pass."

Mr. W. B. Dye returned home yesterday from Fruitland Park, where he audited the accounts of the Lake County Land Owners Association. The affairs of this concern are in a very prosperous condition. From the Atlantic to the Pacific, and from Canada to Mexico, people are buying land of this association. Many of them are building homes.

Mr. Ed. Tomberlin of Miami is in the city on a visit to friends. Mr. Tomberlin will visit friends in Dunnellon, his former home, for a few days before returning to his east coast home, where he is conducting a growing mercantile business.

A good deal of interest is manifested as to the outcome of the West End cutting scrape of last Monday night. In consequence of which Mr. Carl Pedrick was arrested Saturday afternoon. Mr. Pedrick has always borne a good reputation, and his friends are confident that he will clear himself when he has a hearing. Jean Scott, the girl who was beaten and stabbed, stoutly sticks to her assertion, that she was attacked by a negro, and she is either telling the truth or has made up a mighty good story, for her physician says she has repeated it for four times without the least doubt. The officers of the law, however, have from the first disbelieved her, and every negro who was in the vicinity that night has put up a good alibi. Several other things connected with the surroundings make the story seem doubtful. The girl was very badly treated—choked and beaten as well as stabbed—and whoever is responsible should be severely punished if the crime can be proven. She is slowly recovering from her injuries, and will soon be able to testify at the hearing, the date for which Justice Ferguson has not yet set.

### A HEAVY BURDEN

A Bad Back Makes Life Miserable for Many Ocala People

A bad back is heavy burden. A burden at night when bedtime comes. Just as bothersome in the morning. Ever try Doan's Kidney Pills for it? Know they are for kidney backache—and for other kidney ills? If you don't some Ocala people do.

Read a case of it. Mrs. M. A. Frost of 423 Broadway, Ocala says: "For a long time I suffered from kidney trouble. I had a dull pain in my back and it I caught cold or got my feet wet, I was worse. I couldn't rest well at night and got up in the morning feeling tired and depressed. I was also troubled by dizziness and was in bad shape when I got Doan's Kidney Pills at the Carlisle Drug Co. In a few days they brought me relief and continued use cured me. Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Frost had. ### COLDS AND CROUP IN CHILDREN

Many people rely upon Chamberlain's Cough Remedy implicitly in cases of colds and croup, and it never disappoints them. Mrs. E. H. Thomas of Logansport, Ind., writes: "I have found Chamberlain's Cough Remedy to be the best medicine for colds and croup I have ever used, and never tire of recommending it to my friends and neighbors. I have always given it to my children, when suffering from croup, and it has never failed to give them prompt relief." For sale by all dealers. Adv.

### Blood Destruction Stopped and Rebuilt

Worries Overcome, Evidence Brushed Away. The Skin Cleared.

S. S. S., the famous blood purifier, is man's architect. It contemplates the damage done and repairs the damage. It also looks after the possible damage and corrects it before it becomes a danger. It cures blood, clogs of joints and any and all of those myriad of destructive effects such as rheumatism, catarrh, swollen glands, sore throat, bronchial affections and the host of infirmities so well known as being caused by impure blood. And now, why should S. S. S. do all this? Simply because it is Nature's antidote, a remedy of searching influence. It contains a powerful, natural ingredient, that sweeps its way to the skin. And in doing this it not only annihilates destructive germs but causes them to be so converted that they are easily and harmlessly voided, expelled or destroyed and then driven out through the natural outlets of the body. Thus let S. S. S. be your safeguard in all blood troubles no matter what they are. It won't fail you. Get a bottle today of any druggist but refuse any and all substitutes.

Get in communication with the medical department. Write The Swift Specific Co., 54 Swift Bldg., Atlanta, Ga. This special advisory word on blood troubles has been a calculable benefit and has cured a host of sufferers.

## OCALA SOCIAL AFFAIRS

(Continued From Page Three)

### Ladies' Aid Society Entertained at Silver Tea

At the home of Mrs. G. S. Scott the Ladies' Aid Society of the Presbyterian church gave another of their delightful silver teas this afternoon from 3 to 6:30 o'clock, and present to enjoy it were a large number of friends.

Many attractive flowers adorned the rooms and during the hours Misses Bessie MacKay and Anna McDowell and Mrs. Leon Fishel gave several musical numbers, both vocal and instrumental, which added greatly to the pleasure of the guests. Mrs. E. G. Peek and Mrs. J. D. Robertson received at the front door, and assisting in entertaining in the parlor were Mrs. Carrie Spencer, Mrs. J. C. Garrett and Mrs. James Hill. Mrs. S. P. Hollinrake received in the music room and from there Mrs. Day asked the callers to the dining room, where delicious ambrosia and scripture cake was served by Misses Mabel Meffert, Alice Sexton, Stella Cleveland and Maude McIntosh. The cake was quite appropriate for this particular occasion. It was made from a new recipe for which a formula is found in the scriptures, hence the name. To each guest was given a recipe with Bible references, an applicable souvenir of the pleasant occasion.

Others assisting were Mrs. J. H. Taylor, Mrs. W. K. Lane, Mrs. Perkins and Cuthill. The silver offering amounted to quite a large sum.

He arrived in Ocala Saturday to renew acquaintances of some years ago, when he was in business in this city. He says that the European war has played havoc with the main industry of the Island City, cigar making, as nearly the entire product of the city was exported before that time.

News was received last night from Mr. Perkins, who was operated on in Atlanta Saturday. The operation was successful and Mr. Perkins was resting easily.

Sunday at noon, while all the clerks were at dinner, some one entered Tydings' drugstore and stole a small amount of cash. Marshal Adams was notified, and very soon nabbed Alexander Suber, a negro boy, who had been working on the premises several days before.
